

Hubb's Corn Maze Annual Pet Day

Rules for Bringing a Leashed Dog

Hubb's Farm will host a Pet Day at the Maze today. Part of the activities of the day is an invitation for dog owners to bring their leashed dog(s) to walk the trails. Naturally, with any business activity, we must create and enforce common sense rules and guidelines so that everyone will be able to safely enjoy the event.

1. ENTER AT YOUR OWN RISK
2. All persons (with or without a dog) wanting to attend the maze during the hours of the above event, must sign a liability waiver before entering the common area from the parking lot.
3. All dogs must be leashed with secure collars at all times.

5. Owners must exhibit control of their dog.

8. Hubb's Corn Maze will provide access to water for the animals, but dog owners are responsible for the dog's health and needs.
