PUMPKIN POWER TOUR

Recommended for Preschool to 2nd graders

Sept. 24 - Nov. 8, 2019

Tuesday - Friday, 9 am - 2 pm
Booked in advance

\$10
Per Person

Is it a vegetable or a fruit? Students will learn all about pumpkins and how they are grown, harvested, and consumed.

Emphasis will be placed on the life cycle of the pumpkin and common vegetables, as well as the amazing fact that pumpkins are considered a nutritional powerhouse. After the class discussion, students will visit a pumpkin sensory STEM station for a hands-on experience.

Home School Groups

April 21 - May 1, 2020

Tuesday - Friday, 9 am - 2 pm
Booked in advance

\$10
Per Person

Students will learn about nature's precious stone/rock formation and classification. Class discussion will include the importance and worldwide impact of these minerals, as well as North Carolina's rich gold history.

Students will learn the difference between a gem and a fossil. Tour participants will venture to Paydirt Pete's Treasure Mine, Hubb's very own mining sluice, for an interactive hands-on sluicing experience. Afterwards, students will receive their very own identification cards to identify their discovered treasures.

Tour Includes:

- Education Hub – approximately 1.5 hours
 - Classroom – Age-appropriate lesson
 - Animal Acres
 - Character Traits Trail - Self Guided
 - Hubb's Alphabet Maze - Self Guided (Fall Only)
 - Pizza Garden - Self Guided

FROM SEED TO FEED TOUR

Recommended for Kindergarten and older

March 31 - April 9, 2020

April 21 - May 1, 2020

Tuesday - Friday, 9 am - 2 pm
Booked in advance

\$10
Per Person

Plant life begins with a seed. Students will learn all about preparing the land for crops after the winter as well as different crops that are grown in Eastern North Carolina and how they help to feed the world. Emphasis will be placed on the plant life cycle from seed to mature plant.

Students will participate in our Plant-a-Seed hands-on seasonal activity. Participants will be given their very own seed, a transparent bag and magic Hubb's soil to plant their seed, and carry it home for further observation.

Tour Includes:

- Education Hub – approximately 1.5 hours
 - Classroom – Age-appropriate lesson
 - Animal Acres
 - Character Traits Trail - Self Guided
 - Pizza Garden - Self Guided
 - NC Commodities Board - Self Guided
 - Planting station where students plant their own seed
 - Tractor-pulled Wagon Ride
 - Other Interactive Stations
- As time allows – can be used before/after Education Hub
 - Crops of Fun Play Land
 - Picnic Pavilion
- Each student receives
 - Planted seed to take home to watch germinate
 - Educational Activity Book to reinforce lessons learned
