

## **Company Picnics, Team Building Events, Youth Group Outings & More**

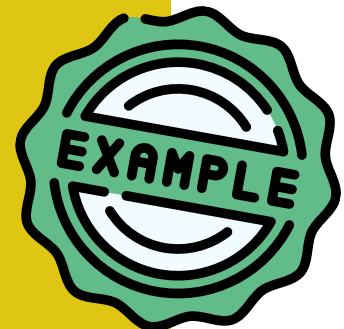

Hubb's Farm is an ideal venue for events such as company picnics, collegiate events, youth groups and more. Specifically, groups that seek fun and safe activities that build and foster relationships with staff, students, friends and/or family.

Our team building activities are mostly conducted outdoors. Being outside promotes stress relief, strengthens one's immunity and helps sharpen one's focus. These three important elements will in turn benefit the participants' overall health and well-being. Being outside and soaking up the sunshine often leads to an increase in creativity and productivity for the workplace. It's a WIN, WIN for everyone.

Example activities include scavenger hunts, nature 'escape' adventures, field days (relay races), corn hole tournaments, festivals/fairs, nature trail tours and much more. During the fall season, we have a 15-acre corn maze that makes an excellent activity for all ages, even the little ones can join in while riding in a stroller. If you prefer to have a 'free play' event for your participants and their families, that works, too.

### **Example Schedule: Company Picnic Team Building**

10 AM Arrival, Announcements & Join your Teams  
(pre-registered teams work best).  
10:15 AM Let the Games Begin!!  
10:15 AM – 11:30 AM Corn Hole Games
